Nationwide Adjusting Company,

Congratulations! This letter is to inform you of the excellent job you and your staff did in the recent renovation of the property located at 6953 S. Claremont Ave. There was extensive damage due to the fire but your company did an excellent job in putting the home back together again. It looks like new. I really appreciate the great effort put forth in the reconstruction. Feel free to use this letter as a reference to show how wonderful a job you did for me. Should I need your services again I will surely contact you.

Yours in His Service,

  
Rev. John D. Digby Jr. Pastor
